Connecting Classrooms to Careers since 1985

www.igniteducation.org

CLOSE THE GAP BETWEEN EDUCATION AND INDUSTRY

Ignited connects industry leaders directly with teachers to translate transferable skills and innovative thinking into K-14 classrooms.

1 Teacher x 150 Students/yr x 100 Teachers/yr = **15,000 STUDENTS** annually impacted by Ignited teachers

JOIN US

Your brand prepares teachers to build a future-ready workforce.

SUMMER FELLOWSHIP

Host a teacher on your team for 8 weeks to contribute to a project and create a lesson.

EXPERIENCE WEEK

Host tours and share career insights with a cohort of teachers to enhance their lessons.

LEARNING COMMUNITY

Engage educators through virtual sessions on industry trends and emerging technologies.

RESOURCE LIBRARY

Teachers turn their experience into classroom-ready lessons, free for educators nationwide.

BENEFITS TO YOUR TEAM

- Develop Leaders
- Build Your Brand
- Strengthen School Partnerships

"I feel empowered having more concrete workplace examples of how durable skills taught in school transfer to careers."

Claire Kujawa
Amazon Fellow & Interlake Senior High School English Teacher
